GSP THRIVE GUIDE 2018

A GUIDE TO HELP YOU GET A HEAD START
Greetings,

My name is Traci Higgins and I serve the Georgetown Scholarship Program both as an Alumni Advisory Board member and as a mentor to several students. I vividly remember being where you are today. It was August 1982. It was hot. It was exciting. It was scary. It was the start of four of the most incredible years of my life; I had arrived on the Hilltop. Welcome to Georgetown!

And welcome to GSP, a fantastic community of people and programs committed to the singular goal of supporting your success. GSP understands the college experience and is here to help you navigate the new in its many forms, conquer the scary, create family, and thrive in your community. Georgetown now belongs to you. All of it. Allow yourself to be open to its many wonders and gifts. Try new things. Talk to everyone. Step out on faith and know that your missteps and stumbles are as important to your journey as your successes and high notes. And in all that you do, know that you are not alone. Not ever. We are here with you – and for you – every step of the way.

Georgetown exemplifies fully the Jesuit ideal of Cura Personalis or Care of the Person, and GSP will honor this by caring for you with your unique gifts, challenges, needs, and possibilities. We will meet you where you are and help you realize your goals and aspirations. Georgetown changed the trajectory of my life. The same, I suspect, will be true for you. Be prepared to work hard and expand the boundaries of all that you know.

The pages that follow are full of information to get you started in making your way in your new home.

Again, welcome to Georgetown and to GSP! I look forward to meeting you.

All good wishes,

Traci L. Higgins
Alumni Advisory Board Member and Mentor
Incoming GSPeeps, Welcome to the Hilltop!

My name is David Toledo and as the GSP Student Board President, I am so excited to welcome you to the GSP family!

There are a lot of changes that you will find yourself adapting to within the next coming weeks, months and even throughout the year. One thing I have learned while exploring those changes over the years, is that GSP will always provide a support you can count on. With a community of about 700 Hoyas sharing a proud identity of being first generation and/or low-income college students, you can start getting excited to make memories with some of the most amazing people at Georgetown. More importantly, you already have a large group of individuals looking forward to welcoming you to your new home and eager to help you succeed.

The GSP Student Board will serve to help you make the most out of your time at Georgetown, and as you adjust to college life on campus, you will learn more about who we are and what we do. In the meantime, please read through this helpful guide! GSP has compiled some spectacular advice to help you not just survive, but thrive at Georgetown in the years to come! This advice has been passed down by our staff and upperclassmen, who were in your shoes just a short time ago. We are always here to help you along your journey so never hesitate to reach out! With this “Thrive Guide” you will be able to hit the ground running starting on your first day.

We’ll be around all summer, so email, call, or stop in to say hello! Congratulations once again; I can’t wait to meet you!

Hoya Saxa,

David Toledo, GSP Student Board President
Georgetown Class of 2019

PROFESSIONAL DEVELOPMENT

GSP offers tools for professional development such as:
- **GSP Achieve Chats** led by our upperclassmen to guide their fellow students through resume building and mock interviews
- **Summer Fellows Program** which sponsors 20 students working unpaid and paid internships in the DC metro area for up to ten weeks, while also providing on-campus housing, a stipend, and professional development dinners
- **Workshops** to navigate a wide range of topics including study abroad, budgeting, time management and more
- **GSP Achieve Career Weekly E-Newsletter** which includes exclusive internship and job opportunities

MENTORSHIP

GSP students build relationships with mentors from different parts of the Georgetown community; this helps them navigate academic and social life and gain knowledge to succeed on the Hilltop. All freshmen and new transfers are paired with an upperclassman GSP peer mentor. Students are also matched with an alumni, faculty and staff mentors on a case-by-case basis. We have over 200 Alumni from across the country who are genuinely interested in helping students thrive at Georgetown! Having a mentor is beneficial for students to ask questions, seek advice, and create meaningful relationships.

TOOLS

GSP’s tools can be found at gsp.georgetown.edu under Student Resources. These tools are provided for students to have a more positive and enriching experience:
- **Georgetown virtual tour**
- **GSP tutoring** (GSP students are eligible for up to $30 an hour via the GSP Necessity Fund)
- **First Year Dare to Thrive Challenge**
- **GSP Social Media**
- **Winter Housing and more!**

FINANCIAL

Separate from your financial aid package, GSP offers additional grants to cover other expenses! The **Necessity Grant** can cover costs like tutoring, medical bills, books, winter coats, and flights home; anything you would consider an emergency need! The **Professional Development Grant** is available for job-related costs like business suits, transportation to interviews, and educationally enriching costs like prep classes and conferences. If in doubt, ask us what these grants can cover!

GoCards & NetIDs

GoCards are Georgetown's physical ID Cards that provide access to dorms, Leo's Cafeteria, libraries, laundry rooms, and other campus buildings and special campus events!

You can load your GoCard with money (Flex and Debit Dollars). Flex Dollars come with meal plans & can be used at all on-campus eateries and Leo's cafeteria, as well as to do laundry and print papers. Debit Dollars can be manually added and used at on-campus and off-campus locations.

Submit your GoCard photo to: gu360-idp.secure.force.com/gocardphoto
To load you GoCard with money, visit: onlinecardoffice.georgetown.edu

Getting your GoCard:
All incoming students must submit a photo via email by the July 6th. IDs will be picked up during New Student Orientation Week and Residential Living Orientation when you check into your dorm.

Make sure to take care of your GoCard; lost or stolen cards cost $25 to be replaced

What is a NetID?
It's a universal ID & Password to log into EVERYTHING at Georgetown (including email, class registration, housing, and more!). Each NetID is different for every student.

A NetID is two or three letters followed by 2-4 numbers, for example: XYZ12

NetIDs and temporary passwords were sent by the Registrar's Office by mail or email. If you have not received one yet, contact the University Information Systems (UIS) Office at 202-687-4577

PRO TIP: CHECK YOUR GEORGETOWN EMAIL EVERY DAY!
Money Saving Tips

- When buying a ticket make sure to clear your browser cookies and shop using the incognito browser setting on Google Chrome
- Tickets are cheaper when you shop on a Tuesday (Wednesday is second cheapest! Avoid Sundays)
- A connecting flight, a flight with a stop in another city, can be cheaper, but try to avoid if it’s your first time flying
- Book early! Look for certain airlines like Southwest and Alaska airlines who offer discounts during less-traveled times in the summer.
- Arrive to the airport 2+ hours early. If you miss a flight, you'll have to pay for another one!

For Carry-On Bags

- Watch out for liquids! Make sure to put those larger than 3.4 oz. in your checked bag. (For other rules, check the TSA's website)
- Empty your water bottles, there are water fountains after security check so you can refill them
- You can bring snacks on the plane (granola bars and sandwiches)
- A backpack/purse does not count as your carry-on
- Carry-on bags do not have a weight limit, they just need to fit in the overhead bin (dimensions are 9 inches x 14 inches x 22 inches)
- Keep your laptop in the carry-on bag

For Checked Bags

- Make sure to keep the bag under the weight limit (most will be 50 lbs.) or you will have to pay a fee/ lose some items/ rearrange your suitcase
- Southwest Airlines offers two free checked bags!
- Don't worry about bringing bedding, GSP will provide you bedding if you've submitted the form by July 15th, at 11:59PM!

For Tickets

- Make sure to "check in" online 24 hours before your flight
- Print your ticket and keep it in a safe place
- Many airlines have phone apps for easy access to your boarding pass and itinerary

While in Line

- Have your government issued ID out & ready to be checked
- Be prepared to take off shoes and belts at TSA checkpoints
- Remove electronics from your bags, they will go in their own bins at the checkpoints

While Flying

- Enjoy a book, bring music, headphones, a neck pillow, a tablet, a computer, puzzles or sleep!
- Make sure to have snacks & some gum to soothe tummies and ears
- Charge all electronics & wear comfortable clothes

<tbody>
<tr>
<td>We recommend flying into Reagan National (DCA) or Dulles (IAD). Baltimore (BWI) is much farther away &amp; you may spend more money in transportation getting to campus. However, if you do fly into BWI, make sure you take a Super Shuttle or the MARC Train to Union Station. (Check their times of operation)</td>
<td>For more information, check out their website: <a href="http://orientation.georgetown.edu/orientation/nso">orientation.georgetown.edu/orientation/nso</a></td>
</tr>
<tr>
<td>Please note: Book your flight to arrive a few hours before your assigned move-in time!</td>
<td>Call them at (202) 687-3906 or email: <a href="mailto:nso@georgetown.edu">nso@georgetown.edu</a></td>
</tr>
<tr>
<td>Supershuttle: 1 (800) 258-3826 or supershuttle.com</td>
<td>There is a ton of great info on their New Student Welcome Packet. We recommend you take a look! (There's also a copy on their site!)</td>
</tr>
<tr>
<td>If you're driving, for directions, type this address into your GPS: 3700 O St NW, Washington, DC 20057</td>
<td>Please register for NSO on their website. (Use your NetID and password to register)</td>
</tr>
<tr>
<td>Need a hotel? The most affordable, accessible, and closest hotels are in Rosslyn, VA. You can also check out the Georgetown Hotel &amp; Conference Center (pricey but located on campus).</td>
<td></td>
</tr>
<tr>
<td>Pro Tip: Ship your boxes ahead: BUT don't ship anything until 2 weeks prior! For more info on where to ship, visit <a href="http://studentliving.georgetown.edu/rho">studentliving.georgetown.edu/rho</a></td>
<td></td>

**Airfare**

- Remember to book your flight EARLY & round-trip to save $$$
  - Ex: When booking a flight to leave for Winter Break also buy a flight to come back for the Spring semester!
  - Check out sites such as Student Universe or Kayak to compare prices!
  - Avoid additional fees: Double check your airline's carry-on policy, including size & weight regulations (Southwest Airlines does not charge for your first two checked bags!)

*BE SURE TO CHECK YOUR SYLLABUS BEFORE BOOKING FLIGHTS TO RETURN HOME IN DECEMBER!*
For our GSPers who are flying solo, WE WILL HELP! Georgetown alumni and student volunteers help with airport pick-up, unpacking, and welcoming you into your second home! Check your email to sign up for Project Move In!

Pro Tip #1: For students who are flying to Georgetown for the first time; we recommend flying into Reagan National (DCA) as it is the airport most convenient and closest to campus!

First-year & transfer students move in Friday, August 24th! If you are doing a pre-orientation program, your move-in date is likely to be different. Check in with your program for more details!

Pro Tip #2: BEFORE booking travel, check your approved move-in date + time. Call the Office of Residential Living at 202-687-4560 for questions.
Additional Items to consider:
- Medicines you take/will need
- Foam mattress topper
- Laundry bag/basket
- Hangers
- Power strip
- Small waste basket
- First Aid supplies
- Mini Fridge

**WHAT TO PACK:**

- **Shower:** Flip flops & a shower caddy
- **Clothes:** D.C. summers get very hot and humid & the winters do get very cold
- **Professional Clothes:** For presentations (if you don’t have any, the Professional Development Grant can help!)
- Comfortable walking shoes. (They call us the Hilltop for a reason!)
- If you forget things, TJMaxx is a short walk from campus & there are shuttles for Walmart & Target

**GSP Bedding Includes...**
- 2 extra-long sheet sets
- 2 standard pillow cases
- 1 pillow
- 1 extra-long reversible comforter
- 1 extra-long simple mattress cover
- 2 all-cotton bath towels
- 2 matching hand towels
- 2 matching cotton washcloths

Bedding is **FREE** for all incoming first-year students! Email the GSP Office if you have any questions.
To find your registered course syllabus you can either:
- Visit courses.georgetown.edu & georgetown.bncollege.com and click on textbooks
- Check MyAccess for course descriptions and syllabi

You can pre-order your books online & pick them up when you arrive at campus to avoid the lines!

Every semester the CMEA has a book loan program where if your book is in their library you can rent it out for the entire semester! Did we mention that it’s FREE? Check out their website to learn more!

Tips for Ordering Books:
- Renting is cheaper than buying
- Chegg or Amazon are cheaper alternatives than the bookstore
- Georgetown Bookstore price matches Amazon books!
- You might be able to check out certain books from the library!

All course materials and books required and recommended can be found in your class syllabus

All freshmen and sophomores MUST enroll in a meal plan!

There are many options for you to choose, but note that the default plan for all incoming students is the All Access 7 + $100 Dining Flex!

If you would like to change your meal plan, you MUST do so during the first two weeks of school. All changes must be made by Friday, September 7th, 2018 (fees may apply). Reach out to the GSP Office if you have any questions about the process!

To see available meal plans visit: https://georgetown.campusdish.com

Enjoy food from the many different options located all around campus. You can use a meal swipe at these locations:

These places do not use meal swipes, but they do take debit/flex dollars along with cash/credit cards

Be careful! Only order from trusted websites and be aware of shipping costs!

All course materials and books required and recommended can be found in your class syllabus

To find your registered course syllabus you can either:
- Visit courses.georgetown.edu & georgetown.bncollege.com and click on textbooks
- Check MyAccess for course descriptions and syllabi

$ave Money, $pend Better
A Shopping + Transportation guide to DC

**Transportation**
Georgetown University Transportation Shuttle offers free shuttles that take students around the DMV area. Uber, Lyft, and Via, will have many promo codes for first years students to use. The DC Metro is relatively easy to learn. To access it, buy the Smart Trip Card at any station. Around campus, there are many bike and car programs that can get you around DC for relatively cheap prices.

**Clothing**
Georgetown is pricey, and so are its stores. But closest to campus is what we call M St, located on M St. Here are some of the cheaper stores to shop at when looking for clothes.

**Food**
All of these stores are either a short walk away or nearby after taking one of the GUTS buses. (Costco is a cheap ride away in VA, but worth it). Make sure to sign up for their savings programs for extra discounts!

**Safety**
Whether you are on or off campus, download Georgetown’s LiveSafe app. It offers direct communication with the Georgetown and Metropolitan Police Departments. On/near campus, you can request a SafeRide, a free service that runs 8pm-2am if you ever feel unsafe in a surrounding area.
ACADEMICS & CLASSES
DO'S AND DON'TS

- Make sure to do your research for the professors that you want! Choose the best professor for your learning style! A great source to read reviews on professors is ratemyprofessors.com and a great source to figure out what your schedule will look like is classy.thecorp.org
- Take it easy your first semester! Get a feel for the way classes work, do well, and then progressively challenge yourself with harder classes in the following semester! We recommend 4 classes over the typical 5!
- Balance out your classes. Don't take philosophy and theology in the same semester, and balance out your math & science classes. Make sure to have a good mix between hard & lighter classes!
- Need tutoring? No worries; check out the Writing Center, Academic Resource Center, or Math Assistance Center! And remember, GSP can help with tutoring costs too!
- Make it a goal to visit all your professors during office hours! Smart students know that seeing a professor is advantageous.
- Eat before class, especially if you have a morning class; your brain and body should be ready to absorb information and a hungry stomach might be distracting!
- Consider registering for UNXD-050: Mastering the Hidden Curriculum, a brand new, one-credit, pass/fail course dedicated to exploring the first generation student identity. The class features some of Georgetown's MOST BELOVED professors! Learn more at tinyurl.com/MHCReg18

- Don't take more than 16 credits or more than 5 classes your first semester! There's a 20% higher risk of having to withdraw due to a heavy workload!
- Don't be too shy to contact & visit your dean and professors!
- Don't compare yourself with other students, every student is different and what's easier for you might be harder for them and vice versa.
- NEVER SKIP CLASS: you don't want to fall behind or fail an exam/essay because you lacked critical information you may have missed in lecture!

WE WANT YOU TO SUCCEED
Important Dates:
Pre-registration closes July 20th
First tuition payments are due
August 24th
Add/Drop ends September 7th

- Pre-registration can be confusing!
  - [college.georgetown.edu/guide-to-prereg](http://college.georgetown.edu/guide-to-prereg)
  - [nhs.georgetown.edu/students/undergraduates/registration](http://nhs.georgetown.edu/students/undergraduates/registration)
  - [msb.georgetown.edu/undergraduate/first-year](http://msb.georgetown.edu/undergraduate/first-year)
  - [sfs.georgetown.edu/undergraduate/current-students/incoming-students/](http://sfs.georgetown.edu/undergraduate/current-students/incoming-students/)

- **These websites** can help explain it all more thoroughly. For now, know that it’s a way for you to list your top choices for classes, but if there isn’t enough space then you will receive your second choice. Not too shabby, huh?
- Remember, you have 2 weeks at the beginning of the semester to try out classes, but you will be responsible for making sure you meet the **September 7th** deadline to add/drop a class & submit your paper or electronic forms!

- In MyAccess, when you Add/Drop courses, be aware of the deadlines. These can be found on [registrar.georgetown.edu/registration/registration-schedule](http://registrar.georgetown.edu/registration/registration-schedule)

- For instructions on how to get on the waitlist for a course, visit: [registrar.georgetown.edu/registration/waitlist-instructions](http://registrar.georgetown.edu/registration/waitlist-instructions)

- Large lecture halls usually are divided into "sections" & you will have an assigned Teaching Assistant (TA). In this case, the professor will still lead lectures & the TAs will lead discussions.

**REGISTRATION TIPS AND INFORMATION**

For ANY questions, seriously, contact the your GSP Peer Mentor or the GSP Office!
Georgetown is a PNC campus which means that all campus ATM's are for PNC Bank. There is also a PNC Bank branch on campus.

We also have a credit union on campus. It's called GUASFCU. You can walk in and sign up for an account. They also have a credit builder program. Visit their website to learn more! www.guasfcu.com

When deciding which bank to get, look at some of these! These are the banks that have DC branches. Most are within a short 15-20 minute walk from campus! When creating a bank account, be sure to ask if they have special accounts for students.

**Pro Tip 1:** We encourage you to make an account soon, so you can have direct deposit set up to receive your scholarships, refunds, and paychecks faster.

**Pro Tip 2:** Having a card is helpful because many of the coffee stores around campus have gone CASHLESS which means only debit, credit, GOcards and gift cards can be used.

We recommend that you save up some money during the summer to start off your first year right! Your budget should come around to $1,000-$1,500 for a less stressful year!

**Contact your financial aid counselor directly – they’re here to help.**

Find out your counselor’s name and email address here: finaid.georgetown.edu/about-us

Your counselor is your BEST resource but can only help if you ask!

They’re also reachable at 202-687-4547

**Pro Tip:** Your financial aid counselor can help you with expenses you don’t know about. For example, if your health insurance is not covered in DC, or if you do not have health insurance, there is a scholarship for that!
WHAT IS FWS?

Federal work-study (FWS) is employment in which a student is able to obtain a job that understands you are a student first, but functions with the same responsibilities as a regular job. The money you make is meant to offset book costs, etc. Check out our video on FWS at tinyurl.com/WhatsFWS

DIRECT DEPOSIT

To set up direct deposit visit MyAccess, click on Student Services, then Student Account, and finally E-Refund tab. Keep in mind refunds take 48-72 hours. We recommend keeping refunds in a savings account! Here's a step-by-step guide on how to set up direct deposit: tinyurl.com/GUDirectDepositGuide

CAREER ADVICE

Need some guidance on possible career options? Perhaps, you need help with creating or editing your resume or want to set up a mock-interview, contact the Cawley Career Center. They will also have internship opportunities posted on their website: careercenter.georgetown.edu

Have a bank account will be extremely helpful to receive your money the fastest, whether it's for direct deposit or a refund!

FWS is listed as an "award" on your Financial Aid package, but it doesn't necessarily work like a scholarship. Instead, it's a department's budget allocation. This means you still have to work to earn your award amount. *If you don't work, you don't owe anyone the money back!*

Once you've been hired, you should set up direct deposit by logging into your GMS account and select "Payment Elections." Put in your bank information using the directions listed on GMS. **The sooner you set this up the better** or you might have to wait until the next pay cycle to receive direct deposit.
Meet the Team

The GSP staff are a group of alumni and professionals that work to make sure students have all they need to thrive at Georgetown. Our doors are open to students and families to get to know you and address any questions or concerns!
